Unbundled Price Offer For SuperCare Unbundled
Smartphone Plans [Selective Customer Offer]

Smartone

1) Offer Terms and Conditions:

- 1.1 Customers can purchase up to two SuperCare Unbundled Smartphone Plan's designated handsets at Unbundled Prices within the Term. The Unbundled Price is available to specified models at a discount on the prevailing Recommended Retail Price which will be updated from time to time. Please refer to the Company's website for the latest update.
- 1.2 Upon purchasing the second handset entitled under the SuperCare Unbundled Smartphone Plans, the Customer is required to trade in the first SuperCare Unbundled Smartphone Plan's designated handset ("Trade-in Handset") previously purchased. The trade-in value is based on the Company's trade-in price on the transaction day and will be offset from the Unbundled Price of the second handset. If the trade-in price of the previously Trade-in Handset is higher than the price of the second purchased handset, the balance will be credited to the Customer's account. The Trade-in Handset must be of original manufacture without any modification and proven in good working condition and operating normally.
- 1.3 Those who want to purchase the second Unbundled Plan's designated handset but opt to not trade in the first handset, they are required to sign up an additional SuperCare SIM Only Smartphone Plan with a 24 months contract.
- 1.4 The trade-in price will vary closely according to the market price of used handsets. Please visit the Company's stores for details.
- 1.5 Terms and conditions apply.
